

Iridium GMDSS News no 3 by Lars Thrane A/S

It's time to give you an update on the upcoming release of **LT-3100S GMDSS**.

Certification & Testing

The LT-3100S GMDSS System has now passed all product certification testing for Maritime CE, FCC, ISED, RCM, and RED. All product documentation has been sent to our Accredited Test House, which will be issuing the individual certificates shortly. Additional required certifications will be completed later.

Furthermore, we are in the process of completing the Maritime Equipment Directive (MED) / Wheelmark product certification. Part of this certification is completing the GMDSS Standard testing.

Alpha sea trials testing will be started in the beginning of December 2019, together with Iridium.

Release Date

It is currently expected that the Iridium GMDSS Service and LT-3100S GMDSS System release date is set to the end of Q1 2020. The MED must be updated with the new GMDSS standard.

Additional Services

All required GMDSS services will be supported in the LT-3100S GMDSS System from First Customer Shipment (FCS), incl support for Bridge Alert Management (BAM) and Navigational (NAV) interfaces. Ship Security Alert System (SSAS) and Long Range Identification and Tracking (LRIT) will be available after FCS, as a software upgrade to the LT-3100S GMDSS System.

Price List & Ordering

The LT-3100S GMDSS Price List will be available from the beginning of December 2019. In relation to the release of the price list we will start accepting orders on the LT-3100S GMDSS System.

GMDSS Partners - Requirements

To become a GMDSS partner for Lars Thrane A/S, we will require the following: participation in technical training as well as keeping a minimum stock of products. In February and March 2020, we will invite our GMDSS Partners to join technical training sessions at our premises in Denmark.

More information will follow.

Marketing

Please note that you have access, via our PARTNER LOGIN, to pictures, product sheet and a roll-up. More data will follow and be available for your company to use in your own promotion of the LT-3100S GMDSS System.

Please get back to us, if you need additional information.
