### Exceptions:

- Combination of main products: 51-100142 LT-1000 NRU, 51-100294 LT-500 AHRS, and 51-100304 LT-300 GNSS are accepted

### Delivery terms for bulk orders:

- Bulk purchase orders acceptable for minimum 10 systems
- Bulk purchase orders must include total number of systems
- Partial delivery is accepted within a period of 3 months from date of first shipment
- Dates and numbers of partial deliveries can be changed within the 3 months, but not extended outside the period
- Number of systems can be added to the order during the 3 months period. The number of systems cannot be reduced
- Should the changed number of systems for a specific order give access to a higher volume discount, according to our discount structure, only the remaining systems will receive the extra discount
- Should there be systems without a delivery date and addresses at the end of the 3 months period, the remaining systems will be shipped to the main address of the partner

### Price guarantee

- Three (3) months price guarantee is granted from issue date of the order confirmation. If delivery dates exceed the three months, the prices will be according to the current MSRP price lists
